The schedule for the last 2 weeks of August remains open to change, pending review, in order to facilitate staff trainings and accommodate school schedules for the next school year.						

The usage of snow makeup days will not be in chronological order; Vista will provide calendar updates each time a snow day is used.

When a 'no-student' day and in-service day are adjacent, the no-student day is a snow makeup; we will move the in-service to the following (or previous) day. This situation exists in February, April and May.
